

Guild TASS (Total Acoustic Sound System) Version- Fishman Under Saddle Pickup LFT-EQ1 PreAmplifier Board, Circa 1984

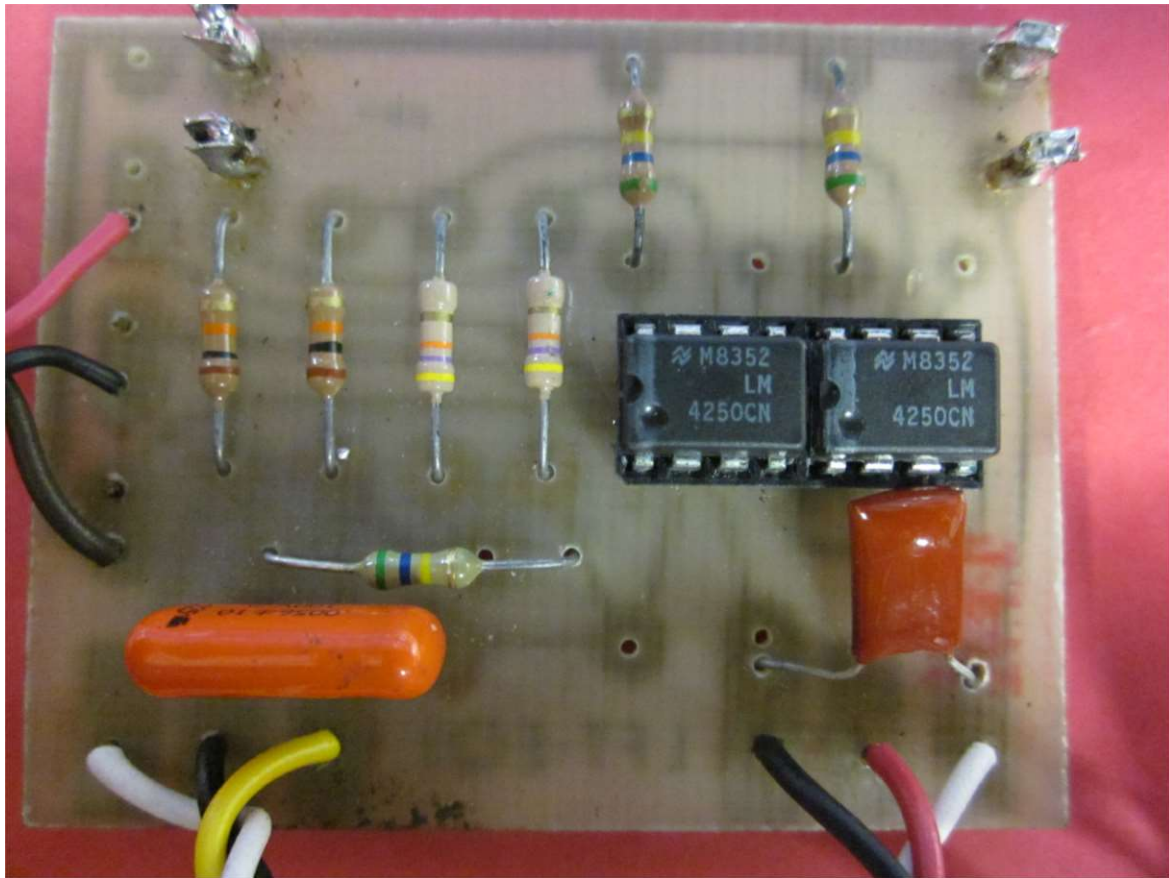

LFT-EQ1 PreAmplifier Board, (4x AAA battery supply mod 3/09/13)

*** Notes:**

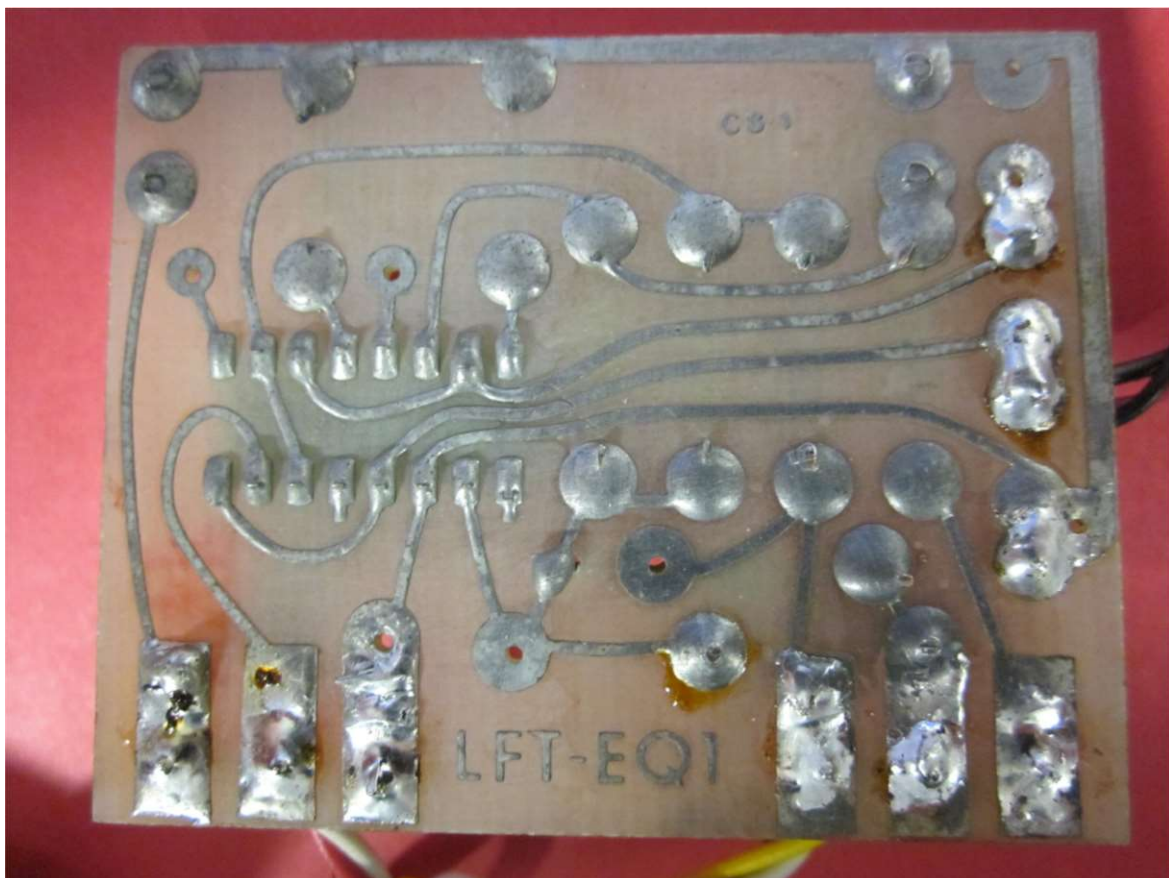

- 1) Original 1 Meg pot can be replaced with a 50k pot to make full use of pot rotation.
- 2) If the pickup is replaced the gain resistor should remain 47k. Newer pickups have a higher output.
